CITY FACTS AND FANCIES.

WOOD.

We would like a few cords of good dry wood for use this winter. Those who wish to take the Union and pay for it in wood, now have an opportunity of doing so.

"Little Katy" will accept our thanks for that fragrant bouquet. Its beauty is only surpassed by the little donor herself.

It is reported that a part of an Ohio and part of an Illinois Regiment are now stationed in Elwood, Kansas.

Col. Deitzler, of the Kansas First, left Leavenworth on the 24th, for Hannibal, where his regiment is now stationed.

The 26th ult was generally observed throughout the State as a day of fasting, humiliation and prayer, pursuant to the Proclamation of the President.

Gen. Sturgis arrived in Leavenworth on the 22d ult, with a part of the Iowa Third. He is now in command of Fort Leavenworth.

Mr. M. Beckers announces, through our columns this week, his intention of giving a dance next Monday evening at Wilson's Hall. All who are fond of a good pleasant time will do well to attend.

Jennison's regiment of Cavalry were sworn into the service on the 24th, at Leavenworth, and immediately left for Wyandott. The regiment comprises about six hundred men.

We would recommend the last number of the Frontier to laundresses generally. It was nearly all "soft soap"—the remainder was one of the principal ingredients of that article—*ie*.

In the proceedings of the District Convention, last week, we omitted the names of R. H. Hunt and John Lamb, delegates from Dickinson County. The fault was not our own, as the Secretary of that Convention failed to furnish the above names.

FURNITURE.—Gross and Thiele, at their old stand on Washington street, are still prepared to furnish everything in the line of Cabinet ware. Farmers and others from out of town are specially invited to visit their rooms and examine their stock. As they do their own manufacturing, they are prepared to warrant everything which leaves their workshop.

FRUITS OF SECESSION.—Kansas City, which one year ago contained 7000 inhabitants, now has but as many hundred, as we learn from reliable authority. Many of its leading merchants have removed to Leavenworth, while others have packed up their goods and stored them in some secure place until the present troubles subside. St. Jo. has lost about in the same proportion.

Hon. Daniel S. Dickinson is the People's candidate for Attorney General of the State of New York. His nomination has been ratified by the Republican Convention of that State.

The Democrats will now have a splendid opportunity for retaliation. Mr. Dickinson has come out nobly for the Union and the government, hence his nomination by the Union parties; but as "Union" is a pill which the Democrats can't swallow, they will repudiate him of course.

THE FREMONT AND BLAIR AFFAIR.

NEW YORK, Sept. 19th.
A dispatch to the Herald from Washington says:

The difficulty relative to Gen. Fremont, is interference of the Blair family—the Postmaster General and Co. Frank P. Blair, jr. It is from them the charges have emanated. I understand the real secret of the hostilities of the Blairs is that Fremont would not lend himself to a combination of contractors from New York, Philadelphia, Cincinnati, and elsewhere, who had the patronage of the Postmaster General. I am assured that some ten days ago Frank P. Blair, jr., demanded that \$2,000,000 worth of contracts should be given to the combination.

Gen. Fremont's response was that it was his duty to oppose all enemies of the government, whether Southern traitors or Northern schemers.

By our latest mail we learn the Government has decided not to interfere with Gen. Fremont.

DON'T AGREE.

"S" takes issue with the Frontier of the 21st. He don't believe the Republican party is dead. "S" has kept his eyes peeled and his ears open, and he won't even admit that "he sleepeth." Now for a muss. The Frontier can't take that if it has the least respect for veracity. Wont somebody pat "S" on the back. We'll keep Mr. Editor in good spirits.

The Millerite organizations, which have long since become nearly extinct, are now reorganizing in various portions of our country, preparatory to the end of all things, which is to occur this time on Saturday, the 12th of October.

Our latest advices from Leavenworth are that all is quiet at Kansas City and Wyandott. The force under Gen. Sturgis is large and increasing. Gen. Lane is approaching us from the South and will soon be in a position to co operate with the Federals hereabouts.
